🌐 [www.rainforest.com.au](http://www.rainforest.com.au)

Bring your students to visit the award-winning Rainforestation Nature Park set on a 100 acre (40-hectare) property located in the middle of Kuranda's World Heritage Rainforest, for an All Australian Experience. Part of the CaPTA Group, the locally owned and operated park offers unique educational experiences.

## Army Duck Tour (45 Minutes)

Students will board an amphibious World War II Army Duck for a land and water adventure through the rainforest, as their Duck Captain identifies and explains fascinating plants, including ferns, orchids, strangler figs and the infamous stinging tree. Students will keep an eye out for turtles, fish, eels, birds, pythons and other reptiles on land.

## Pamagirri Dance Performance (30 Minutes)

The Pamagirri Aboriginal Experience offers students the opportunity to see a traditional dance performance in the setting of a beautiful Rainforest Amphitheatre. This cultural experience is not only educational, but fun, with the opportunity for willing students to get up on stage and join a dance!

## Dreamtime Walk (30 Minutes)

This guided tour, along an all-weather walk-way, gives insight into Aboriginal traditions and beliefs, and how several ancient implements were used. After a Boomerang throwing demonstration and lessons from their guide, students can test their boomerang throwing skills. Next their guide will explain how the didgeridoo is made and used in ceremonies, then will demonstrate techniques used to play this ancient instrument. Students will also be amazed at the distance their guide can throw spears using a Woomera during the spear throwing demonstration.

## Wildlife Interactive Tour (30 Minutes)

Students will join a guided tour with our experienced wildlife keepers to see and learn about a variety of native Australian wildlife including the three most special to Topical North Queensland – the Saltwater Crocodile, Tree Kangaroo and Southern Cassowary. Students will also be able to hand feed kangaroos and learn more about Australia's iconic Koala through an introduction to our resident population.

## 2022 Local School Group Rates

\*All prices are for a minimum group size of 10 students

Year 1-6	\$21.50 PP
Year 7-10	\$24.00 PP
Year 11-12	\$31.00 PP

### Optional Extras :

BOOMERANG PAINTING (30 mins)	Minimum: 10 pax Maximum: On application	STUDENT GROUP RATE PP
With guidance from a Pamagirri Artist, each member of the group paints their own Boomerang to take home on the day – 1 Boomerang per person		\$16.80
CANVAS ART WORKSHOP (30 mins)	Minimum: 10 pax Maximum: On application	STUDENT GROUP RATE PP
With guidance from a Pamagirri Artist, each member of the group creates their own small 5"x7" canvas of Aboriginal style artwork. All canvases can be taken home on the day.		\$14.40
With guidance from a Pamagirri Artist, each participant adds their own design to a large canvas (A2 size+). Additional cost for postage after group visit. Minimum 25 pax.		\$11.50

🌐 [www.rainforest.com.au](http://www.rainforest.com.au)

At Rainforestation Nature Park, set in the midst of World Heritage Listed Wet Tropics Rainforest, students can embark on their own Dreamtime Discovery. This programme allows students to watch and participate in local Indigenous culture.

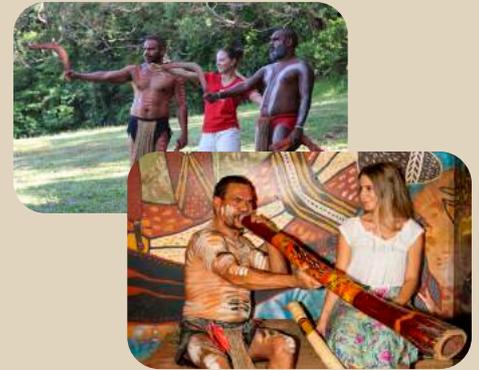

## Pamagirri Dance Performance (30 Minutes)

Formed in 1993, the Pamagirri Aboriginal Dance Troupe perform a dance show in the rainforest amphitheatre. The rainforest provides a natural backdrop for the show and serves as the theatre walls. The sounds of the forest provide accompaniment to the haunting sounds of didgeridoo, chanting, and clap sticks while the dances depict the unique animals, traditional history and food gathering of this ancient culture.

## Dreamtime Walk (30 Minutes)

This guided tour, along an all-weather walk-way, gives insight into Aboriginal traditions and beliefs, and how several ancient implements were used. After a Boomerang throwing demonstration and lessons from their guide, students can test their boomerang throwing skills. Next their guide will explain how the didgeridoo is made and used in ceremonies, then will demonstrate techniques used to play this ancient instrument. Students will also be amazed at the distance their guide can throw spears using a Woomera during the spear throwing demonstration.

## Aboriginal Face Painting (15 Minutes)

Many Aboriginal communities have been painting their bodies for thousands of years. During this face painting session, students learn about the significance of body painting and experience it first-hand.

🌐 [www.rainforest.com.au](http://www.rainforest.com.au)

Set in the midst of World Heritage Listed Wet Tropics Rainforest, Rainforestation Nature Park is the ideal location for students to learn and appreciate the rainforest and wildlife from our region.

## Rainforest Tour (45 Minutes)

This experience has the option of combining an exciting Rainforest Tour with a Tree Planting Experience.

Students board an Army Duck here for a tour exploring the Rainforest. As they traverse the property, their guide will point out and explain ferns, orchids, strangler figs and stinging trees, as well as birds such as the Azure Kingfisher and a host of other animals and reptiles. As the Army Duck splashes into the lake, it cruises up to the water's edge. Students will keep an eye out for water dragons, pythons, turtles and more!

## Optional Tree Planting Experience (60 minutes, includes Rainforest Tour)

Along the track, the Army Duck will make a stop allowing the students to disembark and begin their tree planting experience. Students will be planting locally sourced native rainforest species selected for their ability to attract wildlife. Their driver will guide them within the rainforest provide instructions on how to plant the tree and teach them about the importance of reforestation.

## Wildlife Park Interactive Tour (30 Minutes)

Students will join a guided tour with our experienced wildlife keepers to see and learn about a variety of native Australian wildlife including the three most special to Topical North Queensland – the Saltwater Crocodile, Tree Kangaroo and Southern Cassowary. Students will also be able to hand feed kangaroos and learn more about Australia's iconic Koala through an introduction to our resident population.

## 2022 Local School Group Rates

\*For Tree Planting Experience, add \$12 per student (1 tree per 2 students).

Year 1-6	\$16.00 PP
Year 7-10	\$18.00 PP
Year 11-12	\$23.00 PP

Note: All prices above are for a minimum booking of 10 students.

**FOR BOOKINGS AND ENQUIRIES CONTACT:**

🌐 [www.rainforest.com.au](http://www.rainforest.com.au)

At the award-winning Rainforestation Nature Park, students can experience Indigenous culture in an authentic setting in the midst of World Heritage Rainforest. Rainforestation Nature Park first introduced boomerang throwing in 1987, and then Pamagirri Aboriginal Experience in 1993. Pamagirri means "silent snake", and is symbolic of the Rainbow Serpent, responsible for the creation of the mountains and rivers in Aboriginal Dreamtime stories. This unique tourist attraction is situated five minutes from Kuranda Village and offers numerous educational experiences with Indigenous culture.

## Dreamtime Walk (30 Minutes)

This guided tour, along an all-weather walk-way, gives insight into Aboriginal traditions and beliefs, and how several ancient implements were used. After a Boomerang throwing demonstration and lessons from their guide, students can test their boomerang throwing skills. Next their guide will explain how the didgeridoo is made and used in ceremonies, then will demonstrate techniques used to play this ancient instrument. Students will also be amazed at the distance their guide can throw spears using a Woomera during the spear throwing demonstration.

## Pamagirri Dance Performance (30 Minutes)

Formed in 1993, the Pamagirri Aboriginal Dance Troupe performs a dance show in the rainforest amphitheatre, which seats approximately 400 people. The rainforest provides a natural backdrop for the show and serves as the theatre walls. The sounds of the forest provide accompaniment to the haunting sounds of didgeridoo, chanting, and clap sticks, while the dances depict the unique animals, traditional history and food gathering of this ancient culture.

## Pamagirri Rainforest Walkabout or Yarning Circle (45 Minutes)

Students join their Pamagirri Guide for an interactive tour that will teach them about the diversity of indigenous cultures around Australia and some common customs such as totems and body painting before embarking on a guided walk in the Rainforest to identify the plants used for bush tucker and medicinal remedies as well as traditional artefacts, tools and implements.

To cater for larger groups, the Yarning Circle provides a safe forum for open sharing and discussion of issues related to Indigenous Culture. Each discussion is led by Pamagirri Guides and subject matter can be directed by the participating students or their attending teachers.

## Aboriginal Face Painting (15 Minutes)

Aboriginal body painting or art is an ancient tradition which carries deep spiritual significance for the Australian Indigenous People. Their cultural rituals, including body painting differ between Aboriginal tribes and topographic location. Students can learn about these traditions and experience face painting first hand.

# Australian Butterfly Sanctuary

LOCAL SCHOOL STUDENT GROUPS 2022

With a visit to Australian Butterfly Sanctuary, your students can learn everything they need to know about butterflies and their life cycle. Situated a short drive from Cairns, Australian Butterfly Sanctuary is the largest butterfly flight aviary and exhibit in Australia. Home to over 1,500 magnificent tropical butterflies including the majestic green Cairns Birdwing, the sanctuary is an all-weather experience in the heart of Kuranda that specialises in educational tours.

Students will be enchanted by these elusive wonders of nature as they wander through the aviary's boardwalks and gardens and learn from dedicated guides about all aspects of butterfly life. It's a science lesson they will never forget. The students can use our state-of-the-art microscope to view the anatomy and wing structures of the butterflies. They will also be shown pupae for each species that is bred in the laboratory, caterpillars in all stages of growth, and may even see caterpillars hatching out of their eggs!

Moths, such as the Silk Moth and the Hercules Moth, are also bred on the premises, so the students will be able observe them at various stages in their life cycle. Our knowledgeable guides will take students through the aviary and breeding laboratory on a 30 minute tour, detailing a butterfly's behaviour. At the end of the tour, students can also view the museum including our collection of butterfly specimens from all over the world.

## Entry + Aviary Tour + Laboratory Tour

<b>Price:</b>	Year 1-6	\$8.50 PP
	Year 7-10	\$9.50 PP
	Year 11-12	\$12.50 PP

# WILDLIFE UP CLOSE: ENVIRONMENTAL ADAPTATIONS

Ever wanted to know why an animal looks the way it does or has a specific diet? Learning about environmental adaptations is made easy thanks to Cairns ZOOM & Wildlife Dome's Wildlife Up Close: Environmental Adaptations.

Included in Wildlife Up Close: Environmental Adaptations includes an educational presentation on the Wildlife Terrace for the whole group. Our keepers can discuss the of snakes, lizards, crocodiles, frogmouths, frogs or koalas – just to name a few.

The presentation will focus on the different adaptations that animals have developed to help them survive in their habitat and within an ecosystem, including predator and prey. Students will all have an opportunity to touch and potentially hold some of the animals during and after the show.

Students will then have a chance to wander around the wildlife park at leisure. If there is a specific topic or animal that you are discussing in class and would like our keepers to cover, just let our friendly reception team know when making your booking.

## 2022 Local School Group Rates

Year 1-6	\$10.0 PP
Year 7-10	\$11.50 PP
Year 11-12	\$14.50 PP

Please note: all prices above are for a minimum booking of 10 students.

# WILDLIFE UP CLOSE: LIFE CYCLES

Australian animals have amazing and unique ways of reproducing and growing. This is something we call a biological life cycle. From frogs, to reptiles and marsupials, Cairns ZOOM and Wildlife Dome will teach your students about various life cycles.

Wildlife Up Close: Life cycles includes an educational presentation on the Wildlife Terrace for the whole group. Our keepers can discuss the biological life cycles of snakes, lizards, crocodiles, frogs koalas and more!

Students will have the opportunity to touch and potentially hold some of the animals during and after the show. They will then be able to wander around the wildlife park at leisure.

We can tailor make a program for your student group about life cycles to suit curriculum requirements.

## 2022 Local School Group Rates

# WILDLIFE UP CLOSE: WHERE DO THEY LIVE?

Ever wondered what lives in your backyard? Join us at Cairns ZOOM and Wildlife Dome to find out! Our keepers will introduce students to some of our most interesting local animals and teach students about their habitats.

Includes an educational presentation on the Wildlife Terrace for the whole group. Our keepers can discuss the habitats of snakes, lizards, crocodiles, frogmouths and koalas – just to name a few.

Presentations will be personalised to each year group and specific class topics to help children to understand the features of different animals and their habitats.

Students will have an opportunity to touch and potentially hold some of the animals during and after the show. They will then be able to wander around the wildlife park at leisure.

## 2022 Local School Group Rates

# ZOOM STARTER PACK

Cairns ZOOM & Wildlife Dome is the world's first challenge ropes course in a wildlife exhibit. Located in the heart of the Cairns CBD on top of the Casino, it is an all-weather experience offering a range of physical and adventurous activities for students.

With the ZOOM Starter Pack, students can experience adventure on the Mid-ZOOM and Hi-ZOOM courses, consisting of 65 elements including crossings, tunnels, a climbing wall, and four ziplines at various heights and lengths, including one directly over Goliath, our 4.5 metre saltwater crocodile.

For the thrill-seekers amongst the group, the Power Jump is an exhilarating free-fall adventure with a 13 metre drop. After a rapid descent, the power fan provides a safe, gentle landing at the bottom.

Students can also step outside the glass walls (and their comfort zone!) to try the external Dome-Climb. Offering spectacular views of the city, the Coral Sea, and the surrounding landscapes, it's an experience not to be missed. In addition to the ZOOM course, students have full access to the park and its wildlife exhibits.

# Wildlife Habitat Local School Student Programmes 2022

Wildlife Habitat is an experience you cannot get anywhere else. Engage, interact, adore, and be amazed by Wildlife you have never been this close to. Handfeed Kangaroos, cuddle a Koala, sing with the Birds. Love Australian Wildlife like you never knew you could: we understand the importance of education and learning to ensure observation, appreciation, and conservation for the future.

During their guided tour with one of our experienced wildlife keepers, students will make their way through the park's ecosystems and be given the opportunity to hand feed kangaroos and wallabies, visit cassowaries, and seek out Lumholtz's Tree Kangaroo. All this activity makes for hungry minds and hungry tummies and students can have the chance to enjoy Curlew Café and breakfast or lunch amongst the birds.

## CROCARENA

Students have the opportunity to observe crocodiles from the new CrocArena grandstand.

For an in-depth experience you can include our wildlife rescue presentation. For more specific curriculum requirements, the friendly staff can adjust our programs to suit your educational needs.

## 2022 Group Rates :

\*All prices are for a minimum group size of 10 students

### Entry + Guided Tour (30 mins)

Year 1-6	\$15.50 PP

# Wildlife Habitat Local School Student Programmes 2022

## ENTRY + GUIDED TOUR (30 min) + WILDLIFE RESCUE PRESENTATION

Australia's leading environmental wildlife experience, Wildlife Habitat, offers unique educational adventures for students of all ages with their excursion programs.

Wildlife Habitat takes participants beyond the classroom with a "hands on" experience. Students at all levels of education can observe a huge range of flora and fauna up close in a spacious setting.

Our 30-minute interactive tour, led by one of our passionate wildlife keepers, can be tailored to link to your current curriculum. Please advise us of your learning goals so we can ensure your class achieves the most from their time with us.

Students are immersed in inspirational, interactive ecosystems as they learn about native wildlife, habitats, evolution, adaptation, and conservation. This presentation takes an exclusive peek into the world of our wildlife care centre - TARC (Tropical Animal Rehabilitation Centre). TARC is a not-for-profit initiative of the Wildlife Habitat. TARC's focus is commitment to wildlife conservation and rehabilitation.

The goal of this facility is to provide the best possible care to displaced, injured, sick or orphaned native Australian wildlife, whilst continuing involvement in conservation programs and research in conjunction with Wildlife Habitat. This presentation allows students a fascinating insight into the care of these animals brought into the centre by the general public.

## 2022 Group Rates :

\*All prices are for a minimum group size of 10 students

\*\*\*Due to animal welfare and sensitivities students may not enter TARC facility during their visit.
